

CROWTHER MEMORIAL JR. HIGH SCHOOL

- Located in Strathmore, Alberta
- Grades 7-9
- Homestay and Dormitory Options

The town of Strathmore is about a 25 minute drive from the city of Calgary. Our schools are among the best in Alberta and our communities are safe and caring!

Crowther Memorial Junior High School (CMJHS) takes pride in being a school that is diverse in their population and passionate about their learning. Students do very well academically and often perform higher than provincial average in academics. They have an experienced staff who care about adolescent learners and tailor learning to suit this unique age group.

HOCKEY PROGRAM

Crowther Memorial's Hockey Academy is open to all grade 7, 8, and 9 students, with preference given to students who are currently enrolled in minor hockey, or will be in the next season. The hockey academy is designed to help current hockey players further grow and develop their skills. It would be difficult for someone just learning to skate to participate in this program effectively and is not recommended. A basic level of ability is assumed for registration.

Please note that Athletics, CTS & Special Interest Courses, Language Courses, and Student Activities & Clubs, are subject to change without notice as they student driven

Crowther Memorial welcomes international students and focuses on the integration with the Canadian students first and foremost! Canadian "Ambassadors" are assigned to each international student when they register and a welcome party is held. Throughout the year this group meets for special gatherings and meals.

CMJHS has specialized staff who oversee the programming and monitoring of each student. Their priority is that international students experience Canadian culture while receiving individualized ESL support and academic coaching. We show support and celebrate our students throughout the year including: a welcome orientation lunch, international week, Canadian Experience excursion field trips, pictures and maps of their home country in the main hallway and award recognition for achievement. We also have an International Café luncheon where each student makes their favorite recipe from home and everyone samples all of the authentic international food.
